The call I made to IMH was the best call I ever made. My new girlfriend is more than happy with my performance in the bedroom, the program really worked for me."

SCOUT BLAMP

Hollywood royalty's balloon snap is full of hot pair!

WHY is **Scout Willis**, middle daughter of Bruce Willis and Demi Moore, carrying a balloon around in LA at night? Is it the thing slebs are doing now, like when heaps of 'em were wearing those little wristbands a few years back?

Nah, readers, the reason the 24-year-old actress/artist has a helium-filled mate in tow is 'cos she's attending a shindig promoting pop queen Rihanna's upcoming album *Anti*, the cover of which depicts a young RiRi with a balloon and crown.

Scout chose to forego any royal headgear, however – not to mention any garment between her see-through top and juicy natural melons!

NEW BREAST *friend*

Where have Joey Fisher and her 32H boobs been all our lives?

PHOTOS BY LIPSTICK SYNDICATION

IF TITS-OUT *People* newbie **Joey Fisher** wasn't so darn pretty in the face, we'd spend 24/7 looking square at her gargantuan gazongas.

Just like the rest of the 22-year-old Welsh beauty, the untouched-by-a-surgeon's-scalpel mammaries are a sight for sore eyes.

After seeing these saucy snaps, we have one burning question... ▶

▶ Can Joey FISH? Y'see, it's only right for our future wife to share our favourite pastime (after drinking beer, watching footy and staring at boobs, of course).

"Fish? Not really," she sadly admits. "I went once with my dad. He caught a fish, but I remember it being all slimy and horrible. I also remember trying to cast out and getting the hook caught in a tree. Bit of a calamity, that was!"

Hmmm…p'raps it'd be better if Joey just sunbaked fetchingly on the riverbank while we angled.

'I CAN LICK MY OWN NIPPLES'

She'd be topless – or, preferably, NEKKID – and we'd regularly row our dinghy ashore to apply more sunscreen to those ginormous jugs. Wouldn't want them getting sunburnt, right?

"The last time I went sunbathing, I put on coconut oil," confesses Ms Fisher, "but that just deep-fried them – I could hear them sizzle!"

Fuggin' ouch! Let's move on and talk more about the mystical qualities of bosoms, in particular what Joey can do with hers.

Laughs the pin-up, "I can kiss my boobs and lick my own nipples!"

Jeebus! Any other party tricks we should know about? ▶

‘MY BOOBS ARE IN NEED OF A TAN’

▸ "I can also juggle a bit," adds Joey, "but only with two balls, not three. Just don't ask me to walk on my hands – I'm WAY too top-heavy! I just flop over everywhere!"

If Joey ever needs two balls to practise her juggling skills, we have several hanging around the office that don't get much use. She can brush up her skills as we head towards summer.

Speaking of which, the pin-up beauty should head to Oz and take advantage of the hotter weather.

"My boobs are in need of a tan. Ha! Everyone looks good with a tan, don't they?"

Except us, darling, but we're way beyond saving. Finally, if Joey's bra could talk, what would it say?

"My bra wouldn't be able to speak," she reveals. "It would be getting smothered by my boobs!"

Aaaaaaaaaaaaand loving it!

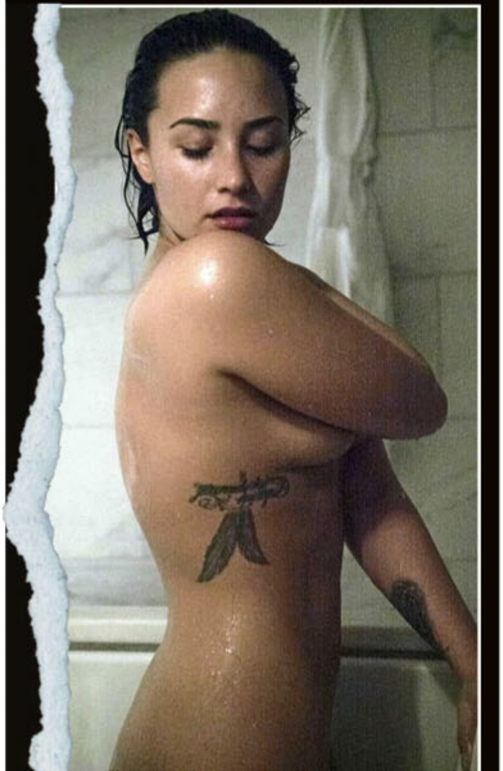
HANGING OUT!

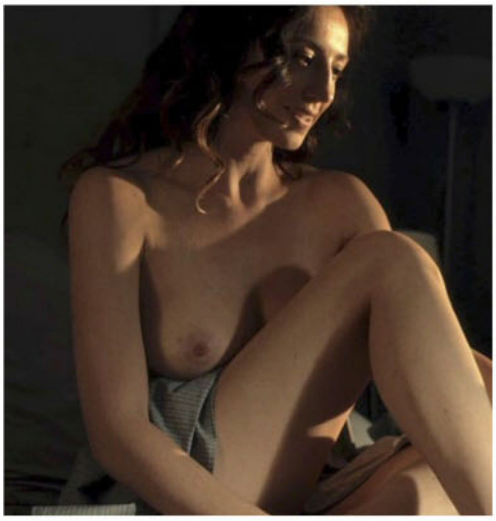
FASHION and reality TV icon **Joanna Krupa** hit Miami's Mynt Lounge with her gal pals the other day – and hit the tabloid headlines with a runaway chest pillow right after! The sooner the 36-year-old is back on the idiot box giving us a regular fix of her gorgeousness, the better. We can't afford to fly to bloody Florida!

BODY CONFIDENT

DEMI GODDESS

YOU say tomato, we say **Demi Lovato**. Because who can think about food – or anything else – after eyeballing the *au naturel* poses the 23-year-old singer/actrine struck for *Vanity Fair* photographer Patrick Ecclesine? On the eve of the launch of her *Confident* album, Dems declared, "I want to show the side of me that's real, that's liberated, that's free." And, as demonstrated by her raciest shoot yet, that's fucking beautiful!

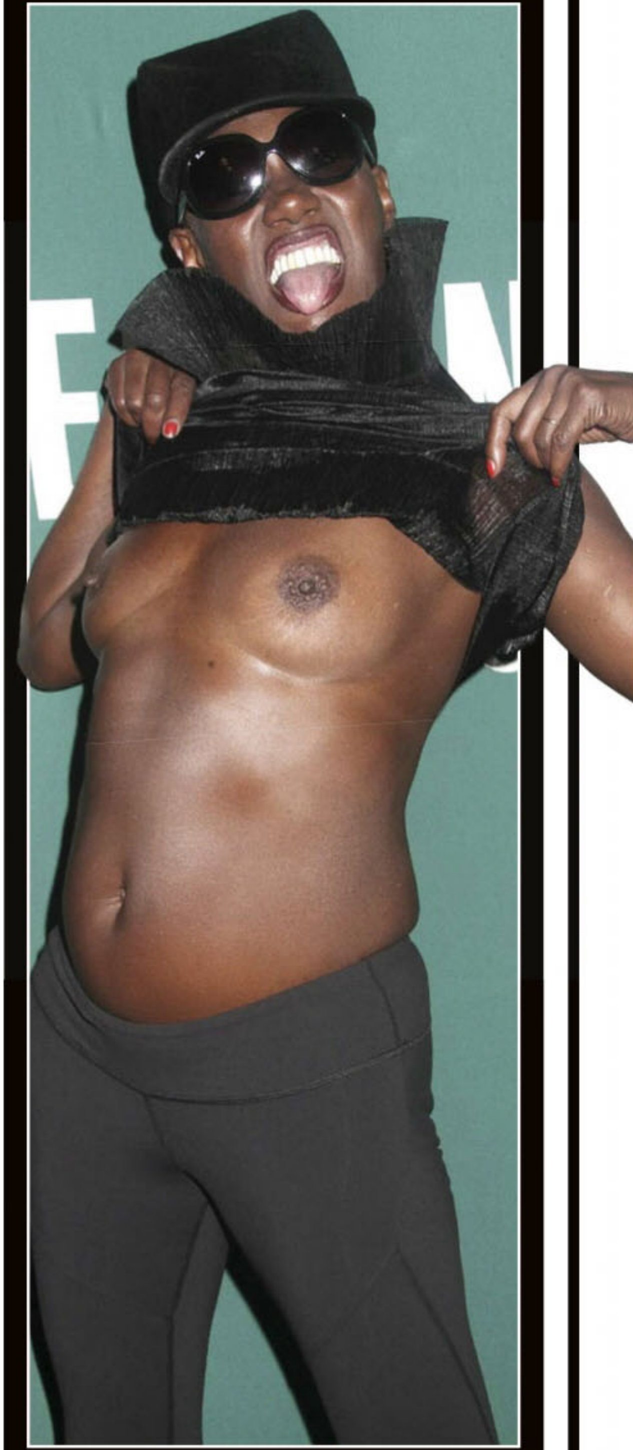




BUM'N'COKE

RAY MATES

ONE day, everyone will watch crime series *Ray Donovan*. Until that day, we'll continue documenting the show's choice nudity. Let's start with the boob and stunning butt of **Christy Williams** (above), who plays cocaine-dealing hooker Michelle. Speaking of which, on occasion said substance is accidentally spilt on a lady's naked behind and – in the absence of a dustpan and brush – requires (ahem) cleaning up...



BIO-SEXUAL

AMAZING GRACE

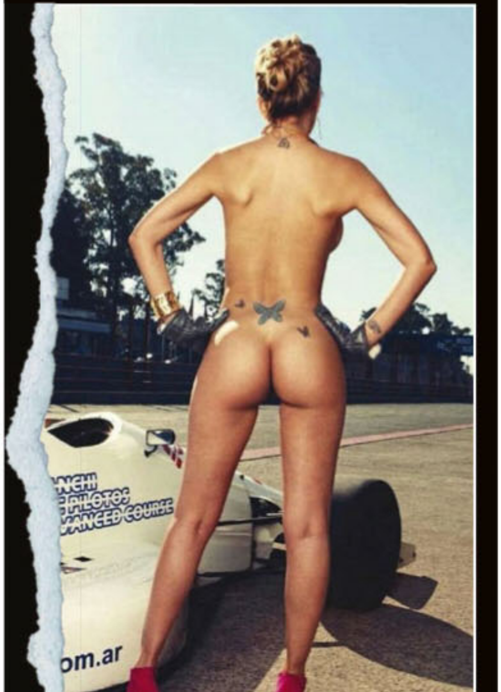
VETERAN warbler **Grace Jones**, 67, wrote the book on generating publicity via strategic bits-baring. She also recently dashed off a memoir confusingly titled *I'll Never Write My Memoirs*, which is what she was plugging at this Barnes & Noble function in Noo Yawk. Give us a dozen copies, Grace...er, as long as there are pictures inside.

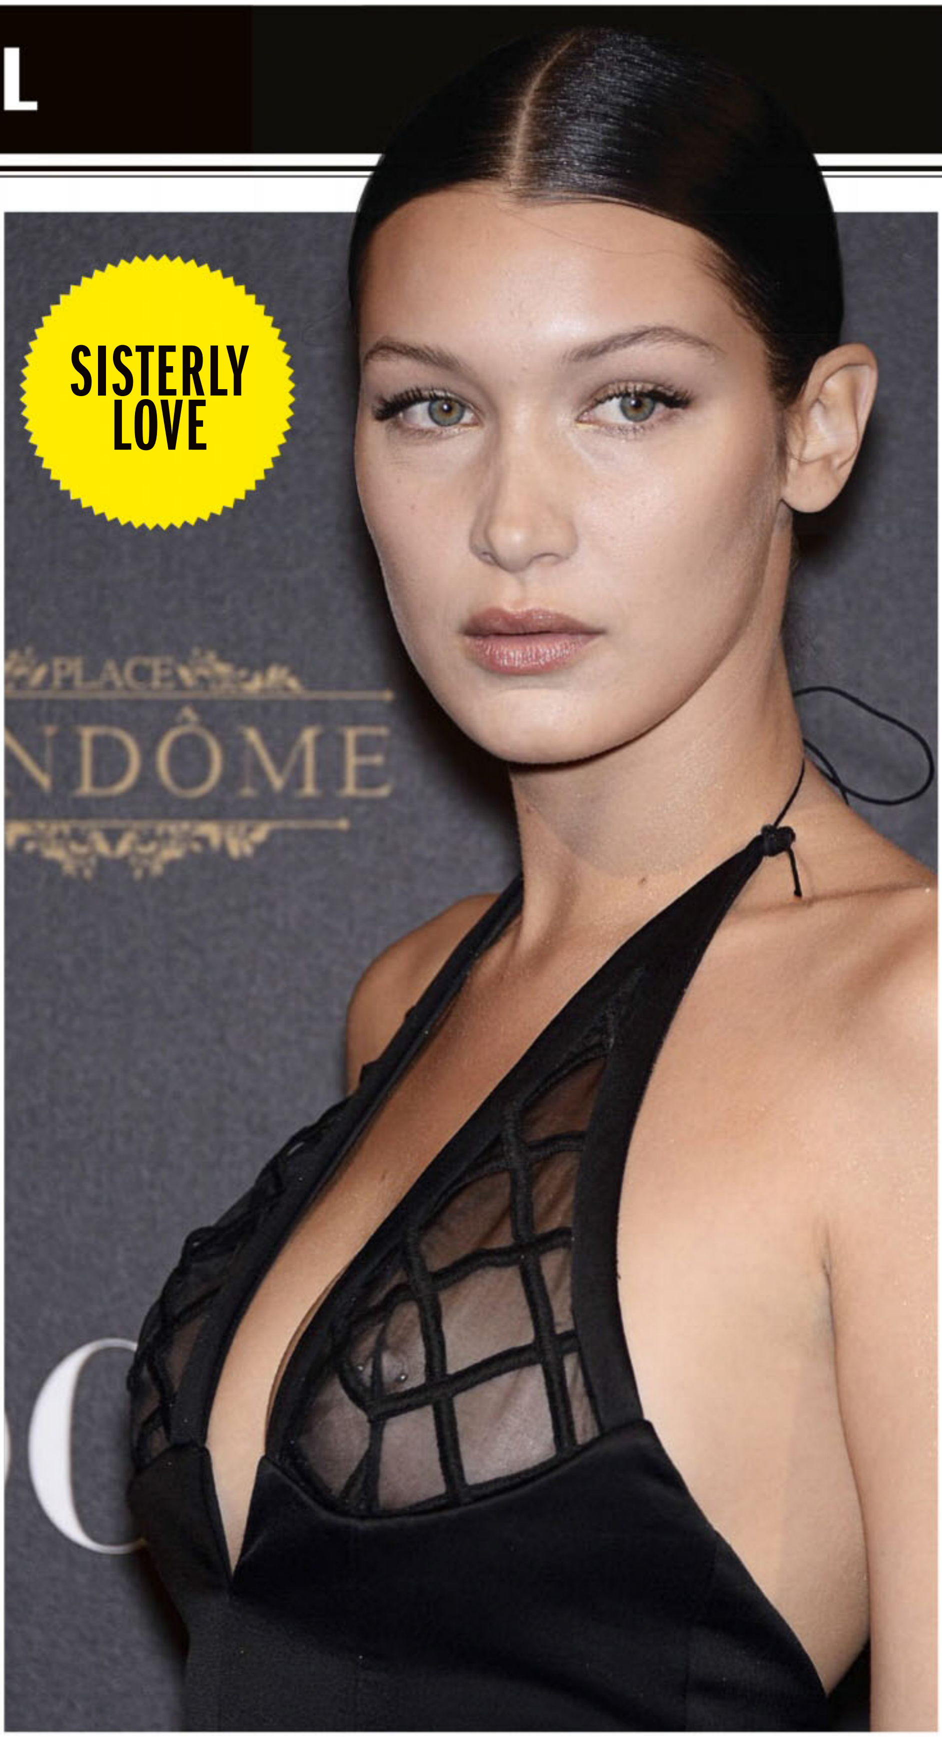
RACING STRIP

PLA OY
Nadia Terrazzolo

BIG BONUS

WHAT'S the first thing you do when you escape the *Big Brother* house? If you're a knockout like **Nadia Terrazzolo**, you chillax and let the offers to pose in the nicky-noo-nah flood in. Mum-of-one Nads, 31, was the first person evicted from the 2015 series of Argentina's *BB* and she's just parlayed that into a presumably very lucrative race-themed pictorial for *Playboy*. So she's gone from driving viewers wild to driving them to the nearest tissue box!





SISTERLY LOVE

BELLA VISTA

"LITTLE sister, don't you do what your big sister done," sang Elvis. If he was still around, The King would have to add, "Unless your older sis is supermodel Gigi Hadid and what she done was deliver stacks of titillating pics." Which is a long-winded, but undeniably rock'n'roll, way of introducing Bella Hadid, 19, and her pierced pip.

KIM'S QUIM

AMERICA'S NEXT NOOD ACTRESS

FANTASY fillum *Fire City: End Of Days* (2015) has a complicated plot involving disguised demons feeding on human misery. What the fart that has to do with former *American's Next Top Model* contestant **Kimberly Leemans** we dunno. The point is there's a scene where she gets completely STARKERS. Kimbo may have been eliminated in the third episode of *ANTM* Cycle 9, but we know who the real winner was. That's right – our cocks!

HELLO, I'M...

SOPHIA KNIGHT

HOW many Scottish porn starlets can you name? None, probably. Here's one lass for the list: 27-year-old Dundee-born Sophia Knight. Her stick flicks include Digital Playground's *League Of Frankenstein*, which was in last issue's *Porn Watch*. Sorry to tell youse single guys that Soph is happily married to fellow XXX-er Danny D. You can buy her used panties on Twitter, though (@sophia_knight).

HIGH VISIBILITY

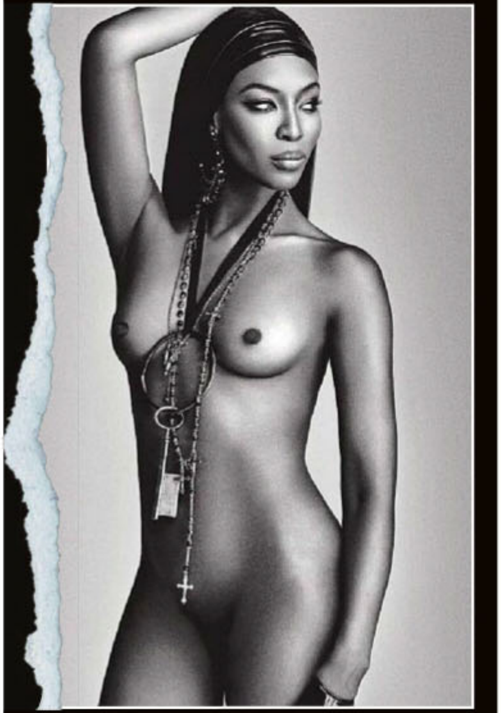
SIENNA SPILL-ORY

FOR a recent gala dinner in London, British thesp Sienna Guillory teamed a serious expression with a serious amount of fighter pilot's thumb! We dug the 40-year-old in telly thriller *Fortitude* on the ABC earlier this year, and we're keen to see her at the cinema soon in *High-Rise*, based on the JG Ballard novel about a huge block of flats that's more like a nuthouse/warzone.

MONO MANIA

POSITIVE UNCOVERAGE

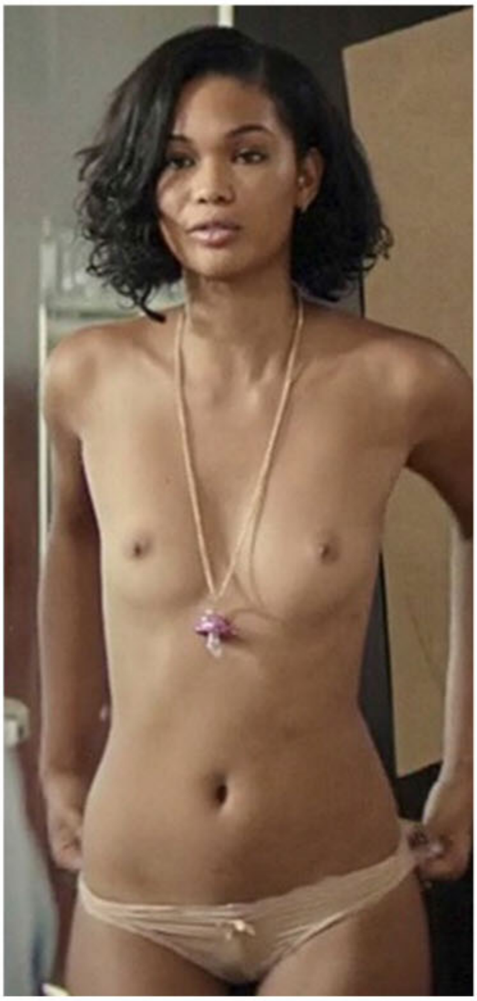
THE latest A-grade babe to slip out of her civvies for France's *Lui* mag is modelling legend and notorious tantie-chucker **Naomi Campbell**, 45. When she appeared in the July 20 edition of our *Excess All Areas* column, we told ya how Nomes' peeps were busted editing the unflattering facts from her Wikipedia entry. What a waste of time when arty monochrome snaps like these, by Luigi & Iango, will inspire more goodwill than a thousand bullshit bios.

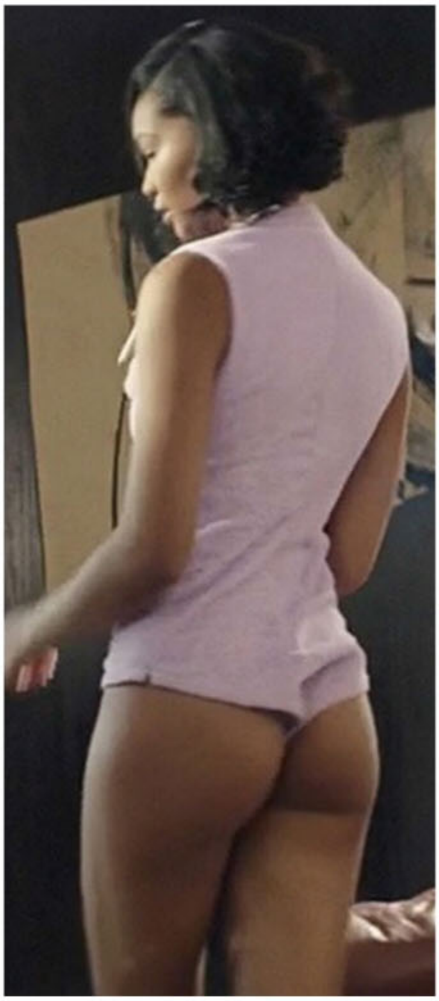


IMAN-LY CHARMS

SMOKIN' DEBUT

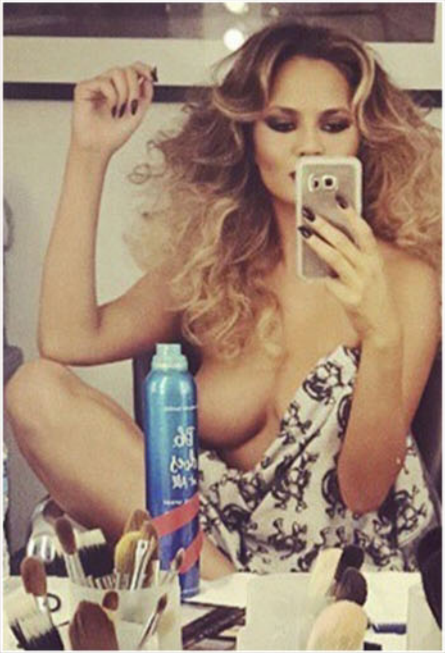
IF YOU want a spunkrat for a skin-flashing part in your indie movie, you may as well aim high. The makers of druggy 2015 comedy *Dope* did – and landed Victoria's Secret Angel **Chanel Iman**. Touchdown! The 24-year-old explained to *InStyle*, "Most people wouldn't have taken this role because of the nudity, but I've done so many topless shoots…I look at it as art." Trust us, Chanel, so do we.





SHARING THE LOVE

The freshest flesh on celebrity social media



You don't need make-up, **Chrissy Teigen**. But you do need to move that can of friggin' hairspray!

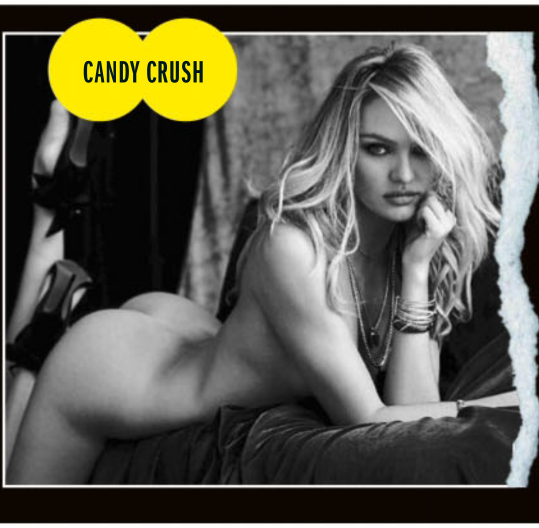
Judging by the angle, **Coco** may be holding a selfie stick here. Which is funny, 'cos we're...never mind.

HIRED BUNS

SPRUIK LIKE AN EGYPTIAN

BROUGHT in to advertise men's underwear brand Spitzenjunge, German pin-up **Micaela Schäfer** sure as heck wasn't gonna wear the stuff. It's hard enough getting the 31-year-old into clothing at the best of times – and definitely not when there's the opportunity to portray a bare-arsed Cleopatra. Our fave Queen Of The Nile is no longer a poker machine!

CANDY CRUSH



TALK OF THE TOWN

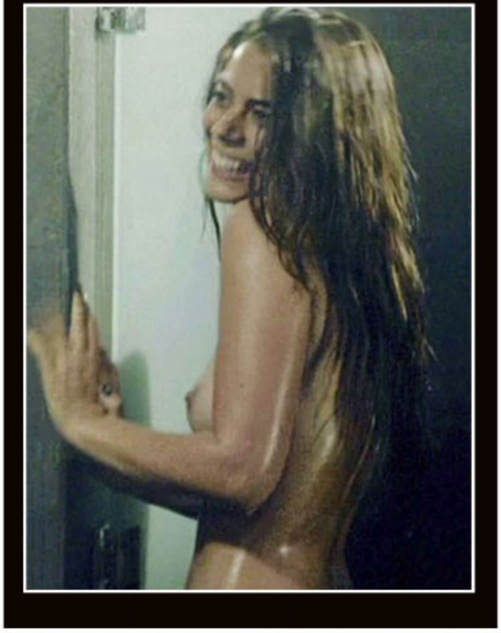
MY TOWN
NEW YORK CITY

NEW NYC lifestyle mag *My Town* has chosen **Candice Swanepoel** to be its inaugural cover star, shot by Sante D'Orazio. Which isn't as odd as it sounds, despite Candy, 26, hailing from the small South African town of Mooi River. The fashion module has lived in the Big Apple for yonks, and reckons it's just like the Yank films she saw growing up. Meanwhile, these rousing B&Ws are just like the films we imagine making with Candice.

KEANU'S CREW

KNOCKERS!

BRAN-NOO thriller *Knock Knock* has Keanu Reeves playing a bloke whose wife and kids are away for the weekend and who finds a couple of cuties – Genesis (**Lorenza Izzo**, below) and Bel (**Ana De Armas**, above) – knocking on his door, having messed up the directions to a party. He lets them in to get their shit together and wait for another cab...then events take a turn for the saucy...then for the nasty. We'll spoil no more, except to say: NICE TITS!



COMING SOON

KOURTNEY

PLEASE join us in welcoming to the world of glamma 19-year-old local Kourtney, whose exotic looks come courtesy of her champion Anglo/Thai heritage. OK, tongues back in heads, people. Otherwise you'll dehydrate and keel over before we run the rest of Kourt's killer shoot in a forthcoming ish.

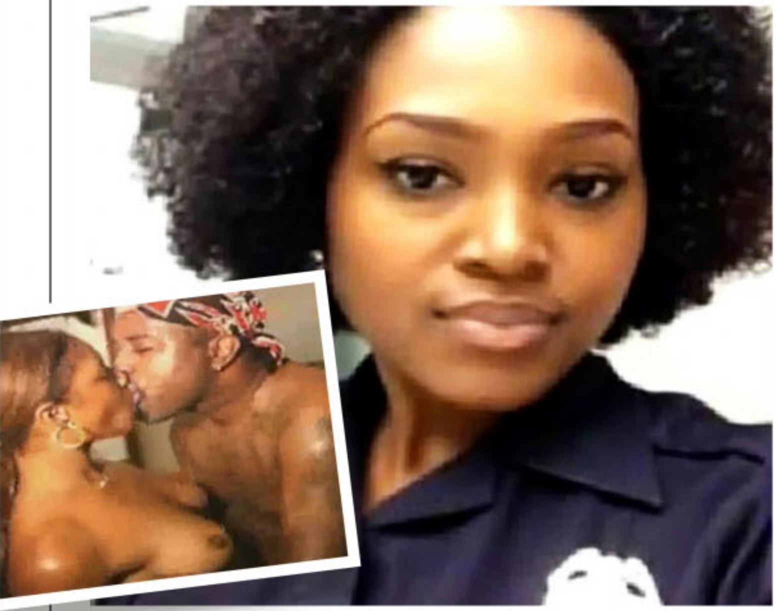
COP THIS!

A MIAMI cop is in hot poop after she was busted for her porn star past! Officer **Sabine Raymonvil**'s steamy former career was exposed on a Florida TV news broadcast.

Showing a coyness on camera that she NEVER showed in her stick flicks, Sabine told journalists, "It's under investigation by two police agencies, so I can't say very much."

Surprisingly, there are no laws to prevent the flatfoot doing XXX as long as she wasn't MOONLIGHTING on the job. The 30-year-old assured reporters, "I never made porn while I was a police officer."

Shame. We were fantasising about Sabine arresting us, reading us our rights, then stripping out of her uniform and sucking our cocks.



Rude bits

It's just a YouTube pisstake of classic horror fillums like *Evil Dead* and *Cabin In The Woods*, but we hope ***Handjob Cabin*** gets turned into a real flick. When four mates go to an isolated cabin for a weekend break, they encounter the evil ghost of a chick who died while giving a wristie. Now, she intends to jerk off every member of the group, even the chick. But this sinister gal doesn't use baby oil and her handjobs are lethal. We giggled more than once watching the faux trailer.

The next time you walk past someone grinning like a monkey while checking out his iPhone, don't assume they're eyeballing the newest Grumpy Cat meme. No, they're probably watching hardcore filth. Online X-rated site **PornHub** recently announced that 60% of its traffic comes from mobile devices. Yep, three out of every five punters are probably sporting wood (or wet pussies). Remember that the next time you're on public transport.

FILT

LOVEBIRDS Eva (**Eva Lovia**, below) and David (**Erik Everhard**) thought they had the perfect marriage, but over the years it's gone sour. When Eva learns hubby has a mistress (**Alexis Adams**, right), it pushes her over the edge.

Soon, she's gone missing and Davo's arrested for her possible murder. Is Eva dead or is she setting up her cheating hubby for revenge?

We're not sure – we spent most of our time fast-forwarding through ***Broken Vows*** to watch the sperm-draining sex scenes featuring the likes of **Dani Daniels** and **Mia Malkova**.

And then passed out.

However, we're sure the ending of this film noir thriller was very exciting.

Once our ballsacks have recovered we'll go back and watch it to find out.

LUSTY LEARNING

THE A TO Z OF SEX

It's an alphabet soup of carnal delights. Who wants sloppy seconds?

A | Anal

That thing you NEVER, EVER get to do with your missus no matter how much you beg and plead.

B | Blindfolds

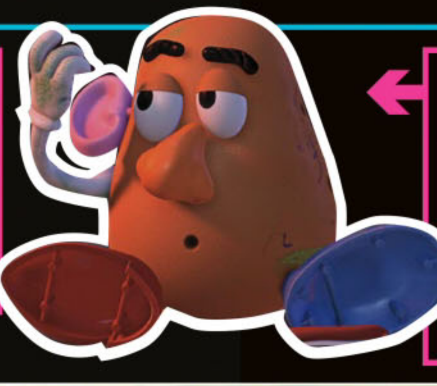
Perfect for one-night stands. If your new lover's a bit dodgy now you can see them clearly outside the nightclub, blindfold 'em and RUN.

C | Condom

"What? I thought you were bringing them." "No, I thought you kept spares in your drawer." **"Are you calling me easy? What kind of gal do you think I am?"** "I didn't… *SIGH*…forget it! I'm gonna have a wank in the bathroom."

D | Diddies

Or dumplings, ding-dongs, dugs, din-dins, D-cups, dairies…whatever you wanna call them, they're nature's greatest invention.



E | Ears

Something for chicks to hold onto when they're grinding their pussy into your face. Just don't twist too hard, ladies – the "Chopper" Read look isn't for everyone.

F | Fellatio

A sexual activity that every man will sell his soul to receive, even if the woman doing it looks like Julie Bishop.

DON'T spend hundreds of dollars on expensive sexual self-help manuals and "instructive" DVDs starring Nina Hartley. Save the cash for BEER and get some proper education into you by reading this handy-dandy guide to EVERYTHING you need to know about the ol' in-out in-out. By the time you're finished, you'll be so smart, your head will hurt. In fact, BOTH of them will!

G | G-Spot

Learn to find it, fellas, because sheilas will bloody love you if you do. Hell, you'll never have to empty the rubbish bins or fill the dishwasher again. Woohoo!

H | Handjob

Ideal for lazy masturbators! Just get that special lady in your life to do all the work. Warning: don't forget the Vaseline 'cos chafing of the cock is NO FUN AT ALL.

I | Ice cube

Seriously, why would any sane person fool around with this shit? Who wants freezer burn on the willy or vagina? Ever stuck your tongue on a Splice? We rest our case.

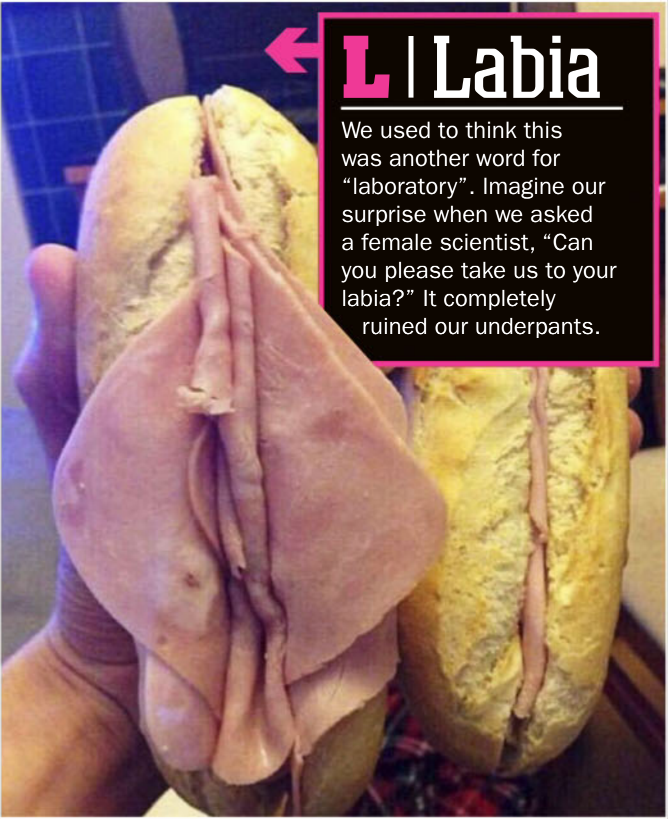
Wrong Ice Cube, mofo!

J | Jizz

A liquid produced by the penis that is guaranteed* to improve your lady friend's skin when rubbed on her tits or chin.
* This is a complete lie.

K | Kinky

Any sexual activity that's out of the ordinary, e.g. having a root behind the scoreboard during a local cricket match. Wearing Shane Warne masks.



L | Labia

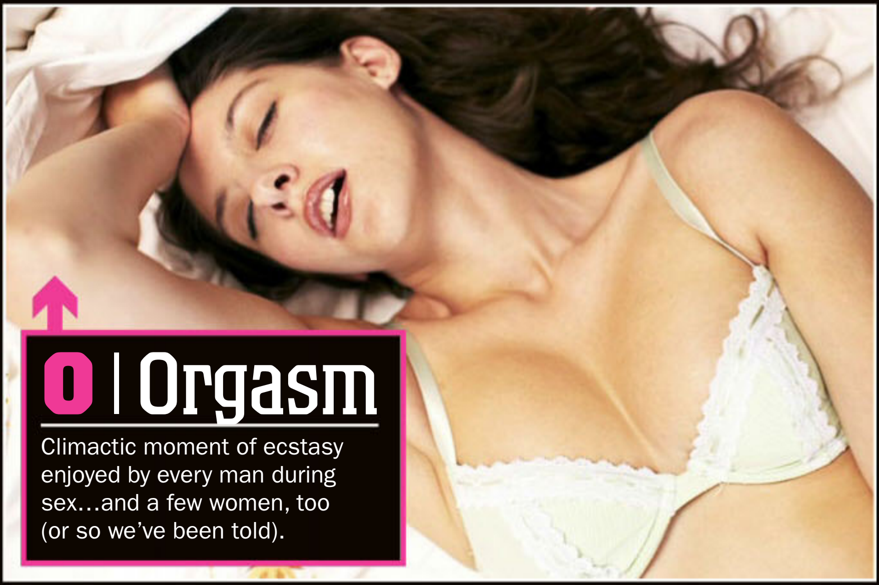
We used to think this was another word for “laboratory”. Imagine our surprise when we asked a female scientist, “Can you please take us to your labia?” It completely ruined our underpants.

M | Masturbation

The greatest solo activity ever invented. Way more fun than solitaire or sailing around the world by yourself. Actually, we suspect wanking was probably invented by a bloke WHILE sailing around the world, after he’d got bored stupid of solitaire.

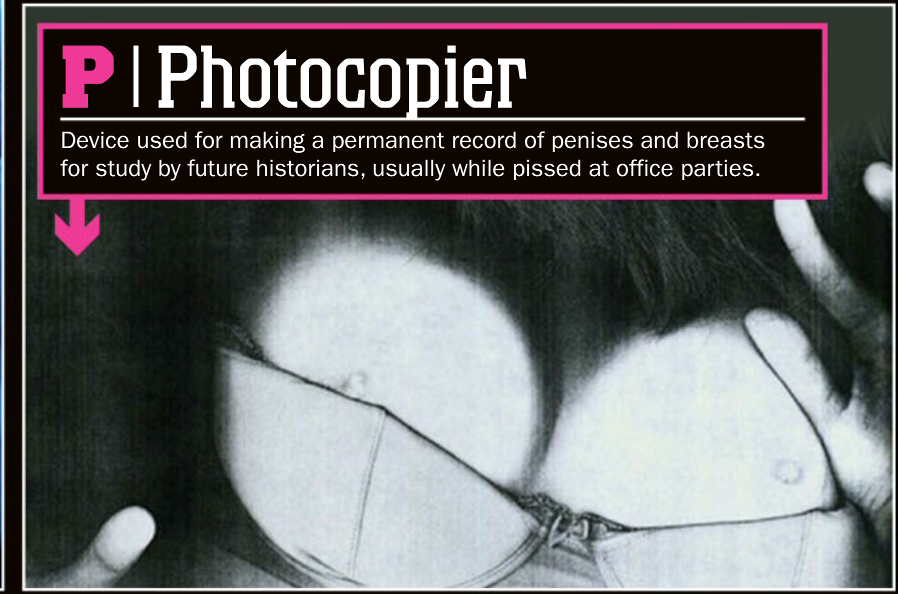
N | Nymphos

The type of shagging-mad women we never meet at the pub on Friday nights. And God knows we’ve tried.



O | Orgasm

Climactic moment of ecstasy enjoyed by every man during sex…and a few women, too (or so we’ve been told).



P | Photocopier

Device used for making a permanent record of penises and breasts for study by future historians, usually while pissed at office parties.

Q | Quickie

A hump in a hurry, because the ad break's nearly over and that new ep of *The Big Bang Theory* will be back on soon.

R | Rubber

A slang term for a condom. Also, a fetish. A mate of ours wore a full-body rubber suit once and his girlfriend wouldn't have a bar of him, so it certainly worked as a form of contraception.

S | Sexting

"Hi." "Hi." **"UR so hawt!"** "What?" **"Ima cuming over 2 fuk yr brains out!!"** "Who is this? Is this Adrian?" **"Dad? Oh shit. Wrong number!"**

T | Trannies

One of the more…UNEXPECTED delights on offer to tourists in Thailand. If you pick up a local chick who wants to "surprise" you in your hotel room, be prepared to be REALLY surprised.

U | Uniform

An important part of role-playing. Dressing up as a cop or nurse to get your lover in the mood can be very exciting. But choose your uniform wisely or you'll kill the atmos. We suggest you DON'T dress up as a chartered accountant. Or the Pope.

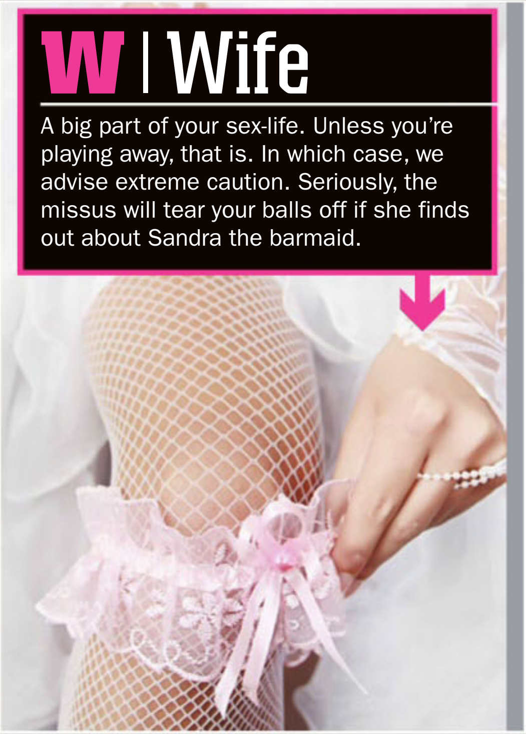
Work that clock tower, baby!

V | Video Camera

A device your parents used to make home pornos before there were smartphones.

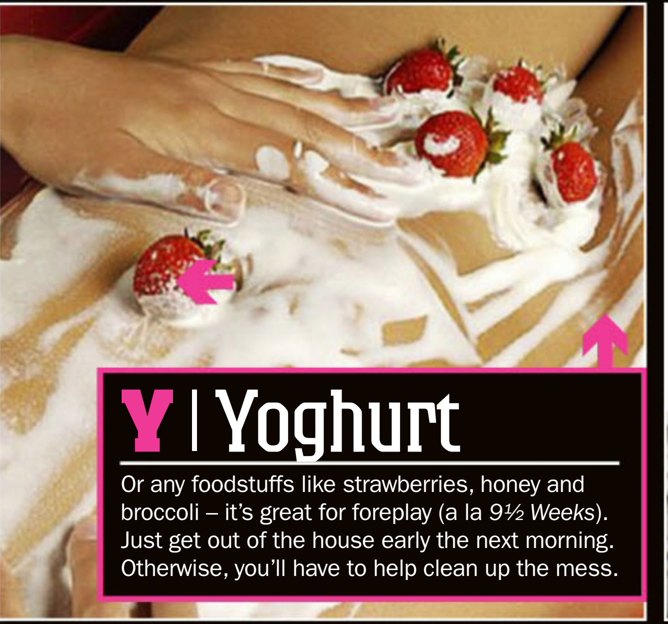
W | Wife

A big part of your sex-life. Unless you're playing away, that is. In which case, we advise extreme caution. Seriously, the missus will tear your balls off if she finds out about Sandra the barmaid.



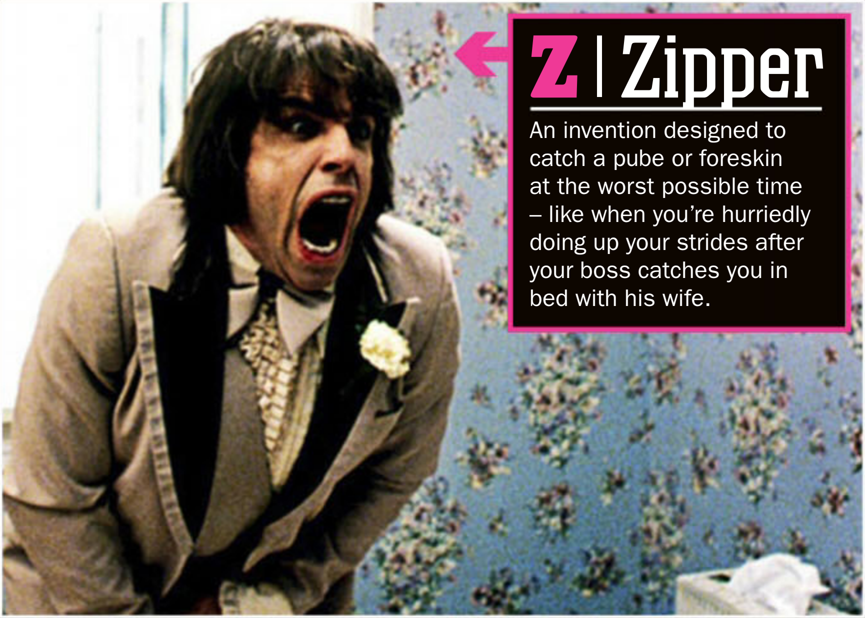
X | X-ray

"Honestly, Doc, I slipped on my son's Matchbox car while having a shower."



Y | Yoghurt

Or any foodstuffs like strawberries, honey and broccoli – it's great for foreplay (a la *9½ Weeks*). Just get out of the house early the next morning. Otherwise, you'll have to help clean up the mess.



Z | Zipper

An invention designed to catch a pube or foreskin at the worst possible time – like when you're hurriedly doing up your strides after your boss catches you in bed with his wife.

‘MUNDINE’ SCAR

Boxing legend Danny Green calls

TEAM
DANNY GREE

HE MAY be a four-time boxing world champion sporting an impressive record of 34 wins from 39 fights (with 28 KOs), but for most fans, Perth’s **Danny “The Green Machine” Green** is best known for his feud with fellow boxing legend Anthony Mundine. We caught up with Green recently to talk about his new fitness program…but mainly about “The Man”!

HEY, Danny! Is your rematch against Anthony Mundine ever gonna happen?
“It’s not really up to me! I’m in one corner, ready to roll. We fought back in May 2006 and it was the biggest grossing fight this country has seen – and the rematch will eclipse that. It’s the only fight the country wants to see. The first one was so huge, and unfortunately I wasn’t victorious. It was very difficult for me, physically, and I lost that fight. The rematch was supposed to happen and he’s run from it for nearly 10 years. It’s the biggest fight he’s ever going to have in his life and he’s running from it!”

Is Choc scared of you?
“I have no idea, it doesn’t make sense! He tells everyone he’s

> ‘CHOC’S BEEN RUNNING FROM ME FOR TEN YEARS!’

The Green Machine

’S RED OF ME!’

out his biggest rival

an intelligent person, yet if you’re going to take the damage as a prize fighter, wouldn’t you want to take that damage for the biggest reward? He’s telling everyone he’s an intelligent guy, but obviously his maths is woeful!”

He’s a mouthy bloke. How would you shut him up?

“I want to finish him off with a crisp left hook after delivering a nice uppercut through the middle. Let the referee count him out, then Choc and I will shake hands, have a cup of tea and we’ll move on. It’s not personal. It’s just that he thinks he’s a better fighter than me because he won the first fight, but I don’t believe for a second that he is!”

Do you think you two could ever hang out outside the ring?

“I disagree with him and I think he’s got a very high opinion of himself…but I’ve got no problem with the bloke. I don’t hate him and I don’t think he hates me. We don’t send each other Christmas cards… So that’s it, let’s get it on!”

We can’t wait to see it. Now, you’ve launched a fitness program called Team Danny Green (www.teamdannygreen.com.au). What’s the story?

“It’s about helping blokes lose weight and have a happier, healthier lifestyle, because the number of obese men in this country is astounding. It’s actually overtaken the USA, per capita.”

What’s special about this program?

“It’s not about turning blokes into sculpted, world champion, elite athletes. It’s about helping a guy lose a few kilograms, improve his diet and live longer. A big part of our program is nutrition, and the testimonies we’ve had have blown us away.”

You’re 42 but still in awesome shape. What’s next for Danny Green?

“I’m fighting in early December. I just want to pick up from where I left off on my last camp and hopefully improve – then aim towards a rematch with Choc next year. I’m building another gym in Perth, and obviously the Team Danny Green program is something I’m really passionate about and that I love doing.”

If you could fight anyone, living or dead, who would you smash?

“People always ask me if I’d fight my favourite fighter if I had the chance, and I’m like, ‘No way would I fight him! I’d get leather poisoning!’ I’d prefer to fight some horrible, despicable human being like Stalin or Hitler. I’d like to serve it up to them for a long time.”

That takes balls

TWO Irish blokes are kicking back on the porch. Sitting in front of them is a dog licking its balls.

Paddy gestures at the mutt and says, "I wish I could do that."

Mick replies knowingly, "Nah, you don't. Believe me, I've tried."

Paddy laughs, "What did you learn?"

"That the dog will bite you."

WR, WA

Smashed from behind

TWO gay guys, John and George, were sitting in their car at the traffic lights when without warning, a truck rear-ended them.

After they recovered from the shock, John threw open the car door and marched up to the truck driver.

"You brute! Look what you've done to our car! We're going to sue the pants off you for this!"

The beefy driver just looked down at John from his truck window and gave a hoot of laughter.

"Kiss my arse," he sneered.

With a huffy toss of his head, John went back to the car and slid back in the front seat next to George.

"It's gonna be OK, hon," John giggled. "He's agreed to settle this out of court."

Age-old problem

A 90-YEAR-OLD bloke goes to the doctor and asks if he can get something to lower his sex-drive.

The doctor raises his eyebrows.

"You're 90, mate, so isn't your sex-drive all in your head?"

"Yes," snarls the old codger, "that's why I want it lowered!"

KM, Tas

Like father, like son

A BLOKE's snoozing one afternoon in the upstairs bedroom when his wife calls up to him, "Michael! Michael! The sun's finally come out!"

Delighted, he strips off, then chucks on a pair of thongs, budgie smugglers and a Hawaiian shirt over the top, before rushing down the stairs.

In the living room, Michael's wife is standing with the couple's son, who's holding hands with another guy.

The wife looks from her husband to her son and cries in dismay, "Oh no, not your dad, too!"

No laughing matter

TWO guys walk into a random bar.

Looking to their left, they see a blonde, a brunette and a redhead.

Looking to their right, they see a priest, a rabbi and a nun.

Directly in front of them sits a genie, an Irishman and a talking dog.

One bloke mutters to the other, "Let's get out of here. This place is a joke!"

He's the boss

BAZZA goes to see his boss in the front office one afternoon.

He stands at the door and says, "Boss, can I have a word with you?

His boss looks up from his desk and says, "Sure, I've got a sec. What's up?"

"Well," begins Bazza, "we're cleaning the house tomorrow, and my wife needs me to help with the attic and the garage, moving and hauling stuff."

"We're short-handed," the boss replies. "I can't give you the day off."

"Thanks," grins a relieved Bazza, "I knew I could count on you!"

AT THE water cooler one day, Kev notices his normally straight-laced colleague Martin has a diamond earring in one ear.

"Hey, mate," Kev grins, "I've never seen that before. Since when did you start wearing an earring?"

Born loser

A YOUNG child asked his father one night, "How were people born?"

His dad replied, "Adam and Eve made babies, then their babies became adults and made babies, and so on."

The child then went to his mother and asked her the same question.

She explained patiently, "We started out as monkeys, then we evolved to become like we are now."

The child ran back to his father and said, "You lied to me! We come from apes, not Adam and Eve!"

His father replied, "No, your mum was talking about her side of the family."

She laughs, "Well, I bought the twin pack pregnancy test and they both came out positive!"

Worth saving

A PREACHER fell in the ocean and he couldn't swim. When a boat came by, the captain yelled, "Do you need help, sir?"

The preacher calmly said "No, God will save me."

A little later, another boat came by and the captain asked, "Do you need help?"

The preacher replied again, "No, God will save me."

Eventually he drowned and went to heaven. The annoyed preacher asked God, "Why didn't you save me?"

God sighed and replied, "Mate, I sent you two boats!"

JUST ASK JEWELL

Expert sex advice from the brainiest babe we know!

'YOUR FELLA MAY BE HAPPY FOR THE LESBIAN FRIENDSHIP TO CONTINUE IF HE'S INVOLVED'

REVENGE AIN'T SWEET

MY GIRLFRIEND just left me for another guy. I have some nude'n'rude photos of her on my mobile and my mum reckons I should post them online to get back at her. Is that legal? I don't want to end up in trouble.

Mr Nice, Qld

■ Dude, are you 12 years old? Yes, I know breaking up hurts. I still had my cheating ex's pics and messages after we split up, but you know what I did? I deleted them all. I let him go competely so I could be happy again and find the right person to help me achieve that. And guess what? It WORKED! That's the best revenge, my friend. My ex now has to see me in another man's arms while he's all alone! Going down the dark path you suggest would be putting your own future happiness at risk, because any woman who heard about it would NEVER date you! Bitter, twisted, vengeful people are ugly, so don't become one. I understand your mum doesn't like seeing her son hurt, but she shouldn't be encouraging such behaviour.

CHEATING THE CHEATER?

JUST my luck – the first time I cheat on my missus in 20 years and the sheila gets pregnant! And she wants to keep it. And she's threatening to tell my wife if I don't. Before you ask, we used condoms. Guess we were in the unlucky 2%. Help!

OC, NT

■ You know I really wanna punch you in the dick for this, right? I don't care if it's once, twice or 50 times – you cheated! While I can't condone your behaviour in the slightest, I also feel there's something suss about this other woman's behaviour. I'd demand a DNA test, then watch her reaction. If she goes nuts and refuses, it's a red flag the chick is having you on. Maybe she's been screwing around and is looking to pin it on you. I've also heard of women "losing" a baby that was never there to begin with. It's risky, but you could call her bluff and tell her to go through with her threat to reveal all to your missus. While it's your own selfish act that's put you in this fucked situation, check the facts, then man up and decide on your next move.

STALEMATE

THE so-called "seven-year itch" has come after seven MONTHS in my relationship. My gal used to be fun, sexy and cool. Now, she just lounges around in her onesie all weekend, texting on her phone. If I get up her about it, she reckons it's 'cos we haven't had sex. What's a guy to DO?!

Dustin, SA

■ If this is occurring after only seven months, I wouldn't waste any more time with this lady, Dustin. You both want different things: she expects you to be turned on even when she's not making any effort, while you want the party gal you thought you knew. Sorry, but if she's like this after a relatively short time, imagine how she'll be when the kids come along. Save yourself the heartache by calling it quits and looking for someone who ticks those "Fun", "Sexy" and "Cool" boxes.

LOVE TO LICK

I'M A 42-year-old married mum. Recently, I bumped into an old school mate who's now a full-on dyke. Long story short, we've gone on several lunch dates that ended with me licking out her pussy in her bed. I don't feel guilty, just annoyed that I didn't try lesbianism before this. I don't want to end my marriage, but I want to have my cake and eat it, too.

Jane, NSW

■ You're cheating on your husband, let's make that very clear. Secondly, how would you feel if he was fucking another man behind YOUR back? Thirdly, you might have been better off confessing your desire to your hubby at the very beginning. A lot of men LOVE watching two women fucking. Your fella may be happy for the lesbian friendship to continue if he's involved – even if it's just as a spectactor. However, even if he is, be prepared for hurt feelings. You took a vow, remember!

GARDEN party

Pammie Lee loves a backyard bonk!

PHOTOS BY MET-ART

'THE DORKS WERE ON THEIR SHED ROOF WATCHING US'

THERE'S nothing worse than hosting a shindig where every dickhead's got an excuse for shooting through early and you're left sober, bored and wondering why you bothered. But when 20-year-old **Pammie Lee**'s barbecue fizzled out recently, she and her fella made sure they didn't waste their boozy buzz – or the chance for a catch-up fuck in the backyard. Turns out a high fence doesn't shield you from everything, though…

TELL us about this little get-together of yours, Pammie Lee.
"The party itself was a disaster. Hardly anyone was eating or drinking – and we'd bought a boot full of supplies – and then it was that old thing of one person leaves, then the others all think it's OK for them to go, too."
So you found yourselves alone with a pile of sizzled sausages and an esky full of piss?
"Something like that, yeah. It was ▸

LUCKY DIP

WOULD you rather be bitten by an ant or stung by a bee?

"Depends what sort of ant – the little ones can't even break your skin. But bull ant bites really kill!"

annoying 'cos my partner had been away working for a couple of weeks and only arrived home late the night before. If I'd known everyone was gonna bail, we could have spent the day in bed instead. That kinda explains what happened next."

We're all ears, mate.

"When the party died, we started packing up, but we were also fooling around with each other. Before I knew it, we were getting busy on the grass on a picnic rug."

You weren't worried about being seen, Pammie Lee?

"Nah, we've got a brick wall all around. There's bushland out the back, the house on one side's empty at the moment and the place on the other is rented by a couple of young dudes who are never home. Well, not usually…"

Uh-oh.

"I know, right. The first fuck was over quick because we hadn't seen each other a fortnight. We kissed and touched for a while, then we were going for it again – this time with me on to – when my boyfriend whispers, 'We've got an audience.' The dorks from next door had climbed onto their shed roof to watch us."

'WHEN THE PARTY DIED, WE GOT BUSY ON THE GRASS!'

What did ya do?

"My guy's a bit of a joker, and what he did was roll me so he was on top, while pulling the blanket over us like it was the covers of the bed. We were both laughing like mad and we heard our stupid neighbours booing and knew they'd fuck off then."

Did youse finish taking care of business, mate?

"We did – we're not that easily put off. Worse things happen at camping sites! Anyway, my man went down on me under the rug, using his tongue and fingers the way I love, until I couldn't take it anymore. I orgasmed staring up into the blue sky."

Sounds like a very romantic ending.

"Yep, then we had sausage sandwiches and beer for dinner while watching an old Adam Sandler movie on TV."

LADIES LOUNGE

MELODY | 23 | The Centrefold, September 28

WHAT'S YOURS, DARL?

HOW classy are you when you're on the piss, Melody?
"I try acting all sophisticated when I'm at the races or something like that, but wait till I've had one too many and the REAL Melody comes out."

What's she like?
"Put it this way, it's the ideal time to go introducing me to your mum. I'm loud and I swear. I might look like a lady, but I'm a bloke when I'm pissed."

Have you ever peed behind a tree?
"Yeah, and I got caught by the cops. They were pretty forgiving though. Benefits of being a woman, right there."

RACECOURSES: There's nothing like having a punt in the sun while knocking back a bottle or two of bubbly. Just make sure your inner bogan doesn't come out sooner than you'd hoped!

THE 1970s and early 1980s were the UNDISPUTED Golden Age Of Porn with beautly named flicks like *Expose Me Now, Sugar Britches* and *Honey Buns* sharing cinema space with more mainstream fare such as *The Godfather, Jaws* and *Star Wars*.

They may have featured hardcore humping and plenty of sticky money shots, but these were REAL MOVIES, shot on film with genuine plots and actual dialogue. They also starred folk who knew how to act AND fuck, including legends like John Holmes, Vanessa Del Rio, Sharon Mitchell, Ron Jeremy and Candida Royalle.

The level of imagination and creative passion on display in these pornos can be seen in the posters that were stuck up in adult movie theatres around the world to promote them.

Following on from *Graphic Thrills Vol. 1* – which we reviewed a while back in *People* – author Robin Bougie has collected a bunch more of the most lurid, horny, hilarious posters he could find and written about 'em in ***Graphic Thrills Volume Two***.

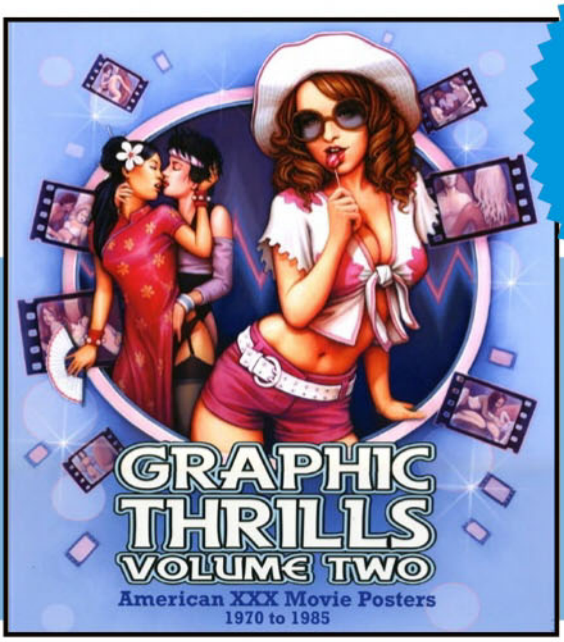
Classic porno posters sold the sizzle AND the sausage!



GRAPHIC THRILLS
VOLUME TWO
American XXX Movie Posters
1970 to 1985

Everything you ever wanted to know (and a few things you DIDN'T) about these pornos is discussed.

Melbourne-based sleaze writer John Harrison reckons this book is "a must-have for anyone interested in the history of the genre, and the exploitation poster art in general".

True, but perhaps the GREATEST thing about eyeballing these posters is imagining stumbling across them when we were younger, sporting raging boners and desperately trying to sneak into the local theatre without having to pay for a ticket.

Final word: Sometimes the poster's better than the movie!

Age Of Consent

DAME OVER!

Helen Mirren finally retires from on-screen nudity…at age 70!

AFTER a tits'n'fanny-exposing career spanning SIX DECADES, **Dame Helen Mirren** has decided to PUT SOME BLOODY CLOTHES ON and stop baring all in front of the cameras.

Which is a shame as the 70-year-old Brit still has a BANGIN' BOD and we would TOTALLY DO HER given half a chance.

Helen has peeled out of her cossie in 14 films, beginning with 1969's controversial *Age Of Consent* and ending in 2010's *Love Ranch*.

"I was doing nude scenes from the moment I first started doing movies," she told CBS America. "I never wanted to show much boobs, but I thought, 'Does it really matter?' It seemed to be nothing to get your knickers in a twist over."

While we've not seen the Oscar-winner's surprisingly buoyant "pleasure pillows" and well-maintained minge for five years, it was only recently that she OFFICIALLY announced she was exercising her no-nudity clause in future movie roles.

"That's the good thing about getting older," she explained, "you don't have to do that sort of thing anymore."

Fucking hell, mate, why bother being so COY now? That starkers horse has well and truly bolted.

NECKLACE SUPREME

HOW do you like your pizza? Ham'n'pineapple or margherita? Thin-crust or deep-dish? How about tied around your fucking NECK? Thanks to you-beaut new invention the Portable Pizza Pouch, food lovers will never be caught without a slice of pie. The pizza can't get dirty 'cos it's secured inside a zip-locked plastic bag attached to a lanyard. Genius! Buy it at Stupidiotic (**www.stupidiotic.com**).

FUCK-OFF FACTS

- **The longest beard recorded on a living gent belongs to Indian fella Shamsher Singh who had his facial fungus measured in 1997 at an impressive 1.83 metres!**
- **The world's hottest pizza is the aptly named Death By Pizza from England. It's 12 million units on the Scoville scale, which measures the heat of chillies. By comparison, a mouth-scorching beef vindaloo is only 200,000, while a cop's pepper spray is five million. So, yeah, eat this pizza and your arsehole won't thank you the next morning.**
- **Origami is the ancient Japanese art of paper-folding, in which you can make cool shit like cranes, butterflies and nuclear reactors (that last one is bloody tricky). When samurais weren't slicing each other up in the olden days, they handed out origami as gifts. Awwww, how sweet.**

BEARD GUYS

AS MUCH as we hate hairy hipsters, we felt a tiny bit sorry for the international brotherhood of Bearded Villains after they were mistaken for TERRORISTS! A passer-by rang the police after he saw members posing for a photo in front of Brahehus Castle in Granna, Sweden with their black'n'white flag. The cops arrived in force searching for evil ISIS bastards, only to find a bunch of gits wearing dress shoes and no socks. Sadly, the police refused to shoot them…on principle.

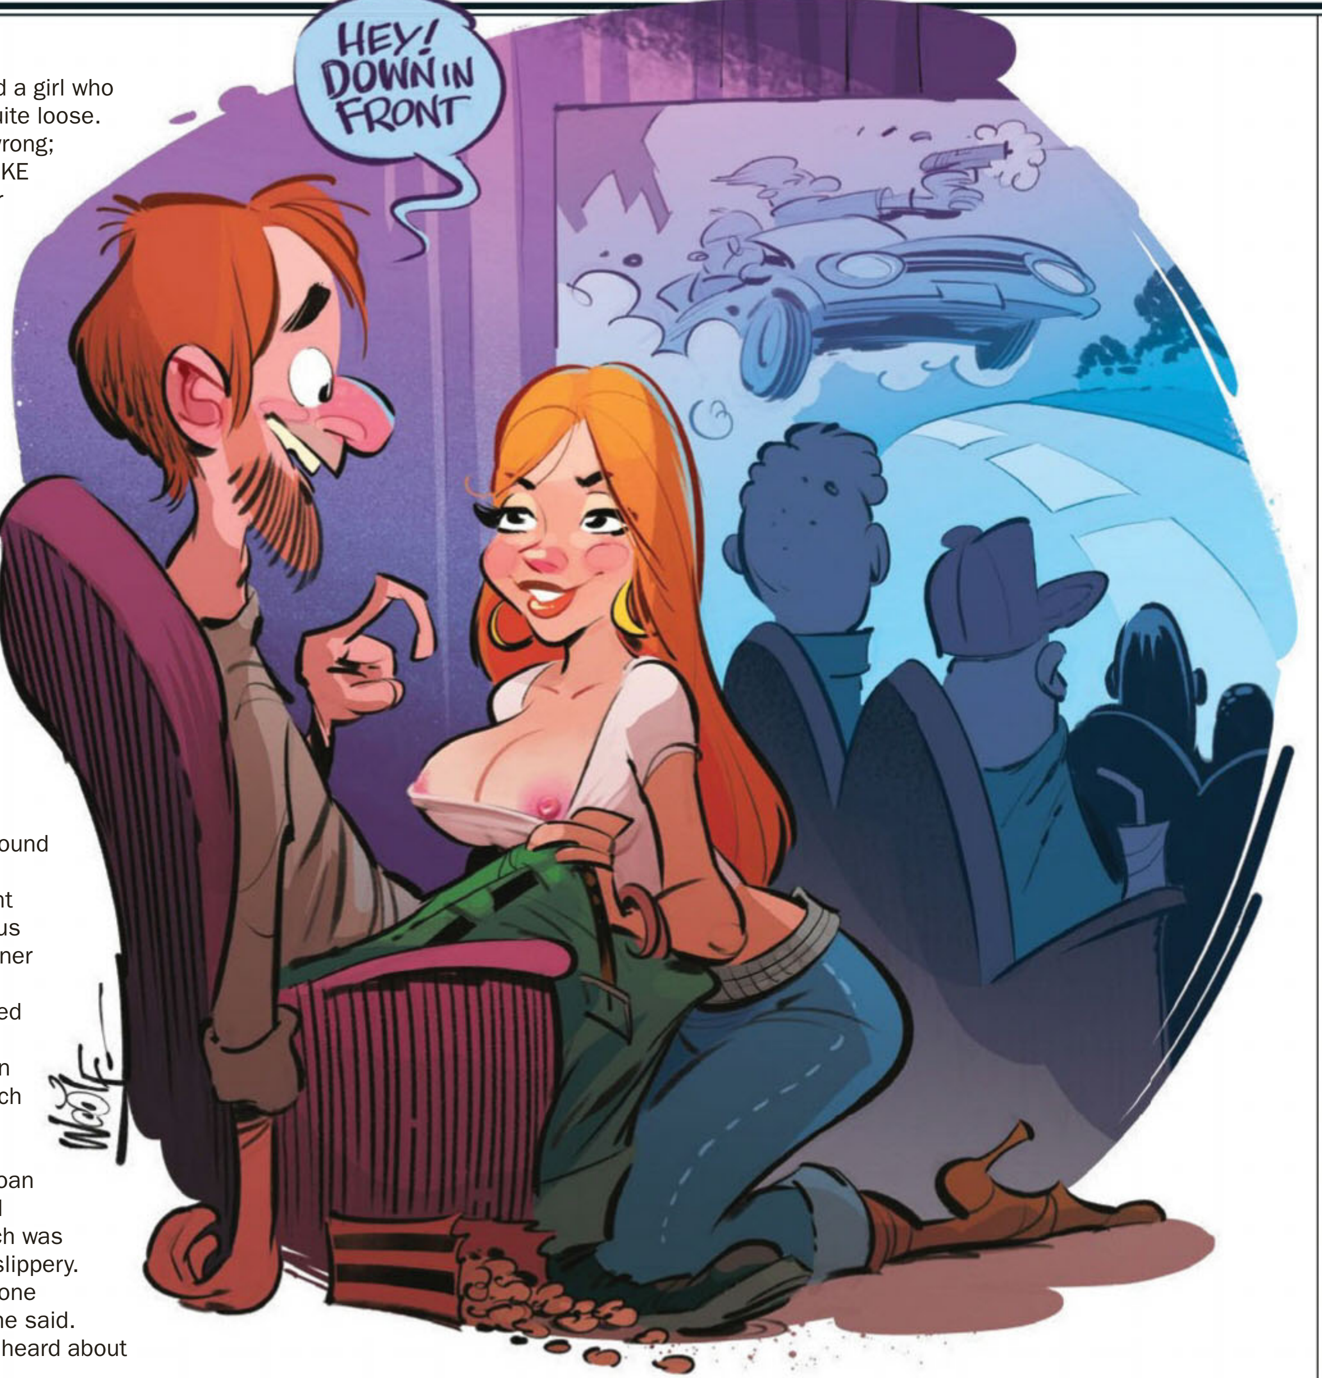
IT'S BLOWTIME!



I BRIEFLY dated a girl who I knew to be quite loose. Don't get me wrong; I did actually LIKE the girl, but her special love of cock was the icing on the cake.

So there we were, at some hipster small-scale cinema, and barely into the opening scene, when Briony bypassed the popcorn in my lap and went straight for my tool.

She didn't even take her eyes off the movie. I had a quick look around and realised it was no accident that she'd sat us in the back corner of the theatre!

Briony grabbed my hand and directed it down her soft stomach and under her jeans. She let out a gentle moan when I reached her pussy, which was already pretty slippery.

"I've never done this before," she said. From what I've heard about Briony's sexual past, she was telling a porky-pie.

But rather than call her on it, I decided to keep quiet in case it ruined the mood.

She was getting pretty shaky now as my forefinger circled her clit. Briony leaned over and whispered she wanted my beef-stick now. I told her to go right ahead and manoeuvred my leg so she could duck down on her knees in front of me.

Briony immediately went to work by licking the shaft.

The spunk soon switched to steady Hoover-like sucking.

She gave me the most beautiful and silent blowie I'd ever received.

"Hey Todd, how long does this movie go for?" she garbled with a mouthful of meat.

"Fuck knows," I replied, "but see how long you can go, love."

It didn't go for much longer. The excitement was too much for me and I had the best orgasm of my life. Meanwhile, Briony had achieved another sexual "first". Apparently.

WELCOME HOME

I WAS determined to give my fella a welcome home pressie he'd never forget.

Azza came through the door and was greeted by the aroma of slow-cooked lamb shanks in the oven.

He was over the moon by the smell, but I quickly ushered him into the shower, where he was able to freshen up before the appetiser.

When he came out I sat on the edge of the bed and pulled him toward me.

I peeled away the towel and began worshipping his cunt-buster as my master.

I took the throbbing head (which I struggled to fit in my mouth) and sucked on it while using a free hand to finger my sticky hole.

'HE PUMPED ME JUST HOW I LIKED IT'

Azza was SO hard at this point and I wanted nothing more than to spin around and have him fuck me with his nine inches.

As if sensing it, he told me to stop fellating him and positioned me in preparation for his veiny pussy-pounder.

I reached around and squeezed his heavy, spod-swollen balls as he pumped me just how I liked it. After five minutes he grunted and blasted a molten load of volcanic jism up my snatch.

A bit dizzy, I got up and served up dinner, starkers and with his spoof running down my legs.

APPS'N'BAPS

I HAD matched a few chicks on Tinder and was just sitting at home watching telly when Amy texted me asking what I was doing right at that moment.

She was 10 years older than me, with inviting eyes and a shapely body. We spoke on the phone quick before I invited her over. I even made a few snacks, which I thought might impress her.

Amy didn't sound anywhere near as hot as she looked online, but. She had a croaky chain-smoker voice and didn't seem very smart either.

However, I wasn't looking for a relationship, so figured I'd make the most of it.

She invited me onto the balcony for a smoke – even though I don't puff the cancer-sticks – but I followed her out anyway. She lit hers, took a puff, then blew it in my face.

'HER THROATY MOANS DIDN'T BOTHER ME ONE BIT'

She followed up with a long and passionate kiss. We kept pashing till I reached under her shirt and grabbed her tits.

Amy swiftly tore off my T-shirt, shoved me against the wall and sucked on my nipples.

Fark! She was the horniest sloot I'd ever met! Her huge plapps were exposed when she removed her bra.

Oh yeah, those boozzies were exceptional! I started gnawing on one, then the other while she ran her fingers through my hair.

At Amy's suggestion we raced inside and were all over each other on the couch, carpet and coffee table.

I was so turned on as she bounced on my love-wand and her throaty moans didn't bother me anymore.

When we were done, Amy and I shared a post-root ciggie, then I sent her on her way.

Master baiter Castelle hooks our hearts and reels us in!

PHOTOS BY STEVE COON

PHOTOS BY STEVE C

WITH temperatures soaring, everyone's heading to their nearest body of water and partaking in their fave summer activity. It may be surfing, sunbaking or, in **Castelle**'s case, FISHING. Thankfully, she's better at it than Joey Fisher (see pg4). We chatted to the Queensland angler about fishing stuff…and AQUATIC ROOTING! ▸

FEMME FACTS

Name: Castelle
Age: 24
From: Coolum, Qld

What's the guts? Don't panic if Castelle's fingers smell like fish – she's probably just been out catching and cleaning her dinner! Ya just gotta love these bananabender babes and their outdoorsy prowess!

WHAT are your earliest memories of summer, Castelle?
"Doing a shitload of fishing on the Sunny Coast – which, funnily enough, is what I'll be doing later today. I can bait my own hook and everything, except these days I won't go getting my hands smelly if they've just been manicured."

Have you ever had your hands on a big one?
"The biggest I ever caught was a sailfish while on a charter. It was pretty terrifying – I thought it'd tear my arms off! It looked like a baby dinosaur when we eventually landed it on deck. I then kissed it and chucked it back in the water."

Onya, Rexy…er, sexy. Are Queensland beaches your favourite across our sunburnt land?
"Up until a week ago I thought so, then I visited Cable Beach near Broome, WA. Not only can you drive around in 4WDs on the beach, but you can tan NUDE. I hate tan lines, so I ONLY tan nude."

> **'I HATE TAN LINES, SO I ONLY TAN NUDE'**

Ever rooted on a beach?
"Sex on sand is overrated – I prefer doing it in the water."

Please elaborate.
"I had sex in the ocean nearly EVERY day while holidaying in Thailand. Occasionally, I'd glance at a passing tourist and ask myself, 'Does the hairy Italian man looking at us know what we're doing?'"

We're sure he did, hehe. So, where will we find you as we approach summer, mate?
"I'll either be tanning nude with a piña colada, fishing or playing pool at a pub."

Let us know next time you're up for doubles!

And these days?
“I know my way around it pretty well.”

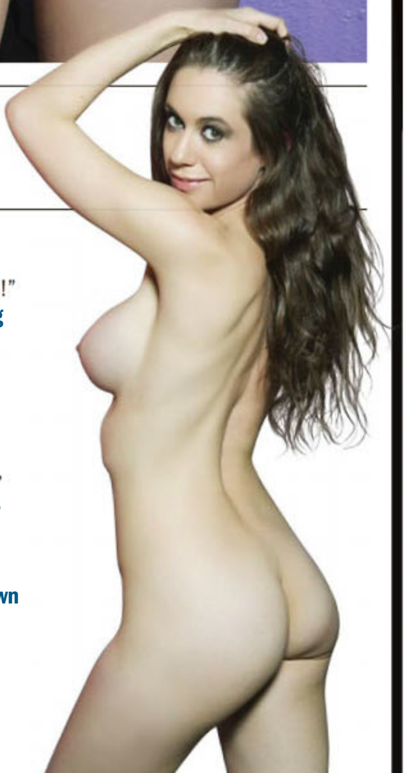
“Overgrown nails can be covered up.”



RIVER | 22

Sydney | NSW

What's one thing gals do better than guys in bed?
"Girls are MUCH better at oral sex. They just seem to have a better understanding of the physiology, I think."

Yeah, but we have PENISES!
"Yes, you do. Guys are better at switching sex up from sensual to rougher play – they have a knack for it."

What kind of grocery shopper are you?
"I'm something of a bargain hunter. I love going later in the night and snapping up the stuff that's almost out of date."

Do you get hit on a lot while pushing a trolley around?
"Not really – but there really isn't anyone in the aisles at 10pm. That probably explains why!"

If you were stuck on an island for three months what would you need?
"I'd definitely need my Kindle – and probably my vibrator. Yeah, I can't be stuck on an island for months without my vibe."

Candy GIRL

Spooky Kami offers some sweet Halloween action!

PHOTOS BY DDF PROD

HALLOWEEN'S the one day of the year when people get to have sex with someone dressed up as a witch, vampire or whatever frightening character that tickles their fancy. Oh…and eat chocolates and hard-boiled lollies…in whatever order they prefer.

That's what Czech backpacker **Kami** reckons – nobody gets more excited about October 31 ▸

FEMME FACTS

Name: Kami
Age: 26
From: Prague, Czech Republic

What's the guts? Playing dress-up brings out the wicked in some folk ...especially on the shit-scariest night of the year, Halloween!

'I FUCKED A WEREWOLF IN THE DISABLED TOILETS'

than her, which is why she swiftly jumped at the opportunity to do this Halloween-themed photo shoot.

"No matter where I am in the world, I'll ALWAYS find somewhere to celebrate it," she laughs while catching some UV rays in Queensland. "For a lot of chicks it's a night of dressing up REALLY sexy, flirting with cute guys…and maybe letting one of them fuck you in costume at the end of the night."

As long as you're not dressed as a pumpkin, Kami. We tried to root one once and it was bloody awkward.

Erm…moving on, are there any favourite outfits from your past ghoulish experiences?

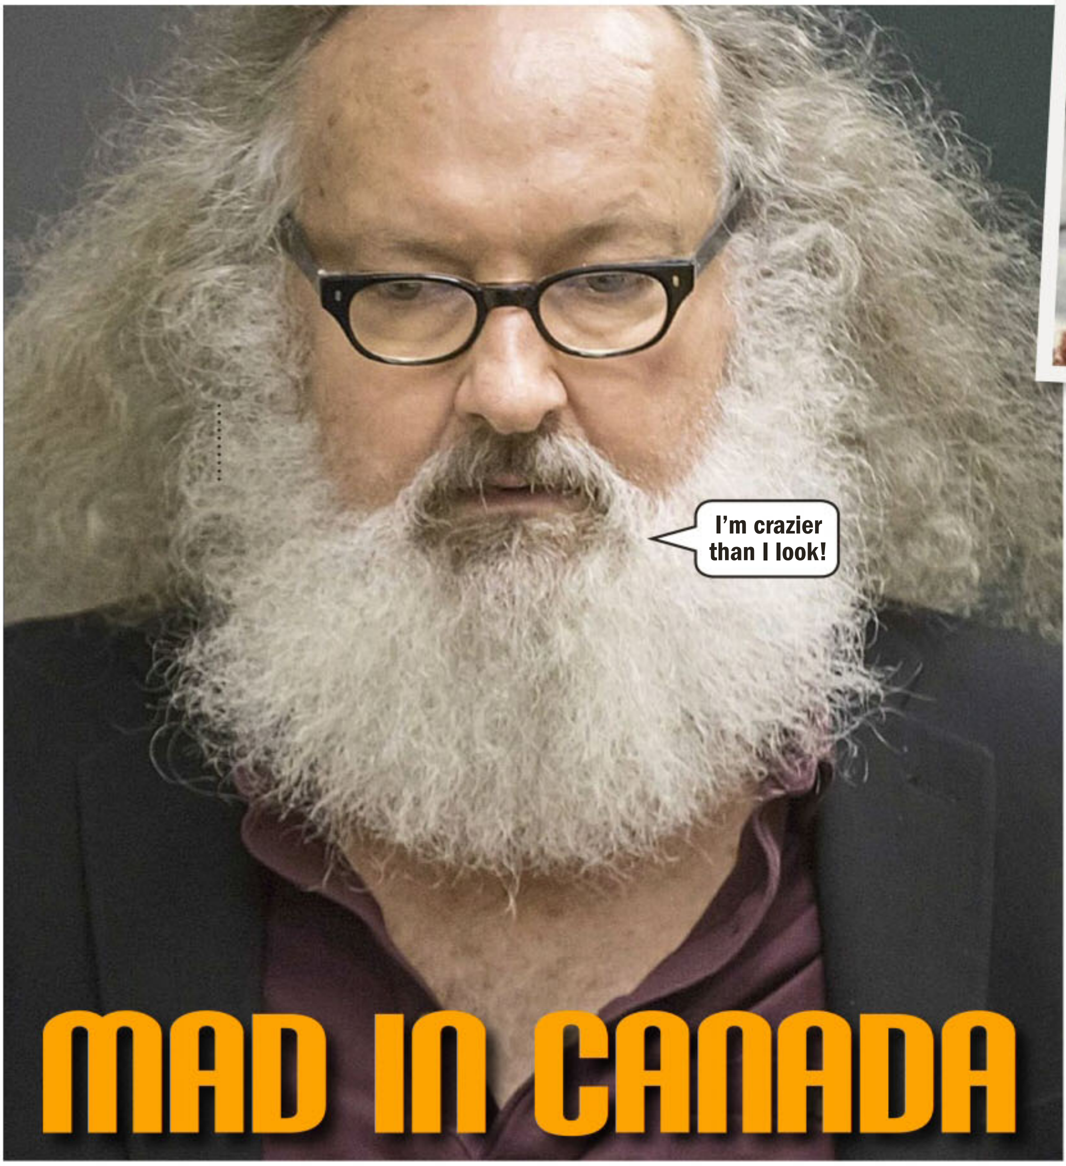
"I went to a Halloween party in London several years back dressed as a witch – complete with fishnet stockings, red lipstick and a basket full of candy. Even guys with their wives and girlfriends wanted a piece of my arse. I ended up settling for a werewolf in the disabled toilets around midnight."

As you do.

The one thing that bums us out about the Yank celebration is watching punters inevitably abandon their characters and end up walking around a party like lost souls. Spoils the fun, wouldn't you agree?

"Yes! I remember one year I dressed up as Catwoman and ended up back at a guy's apartment. Not only did I stay in character the entire way to his place, but the following morning on my walk of shame."

Meee-ow! We bet you looked like the cat who'd swallowed the CREAM.



I'm crazier than I look!

MAD IN CANADA

Randy Quaid takes a vacation from sanity

THE amazing thing about Yank actor **Randy Quaid** and his wife Evi is that, as far as we can tell, they're not on drugs.

Because things would make more sense if they were.

As it stands, we'll have to take it as read that the Quaids are under the influence of nothing more than their own CRAZINESS, as delusional as it is magnificent, that had them convinced they're targets of ASSASSINS and must live in Canada for their own safety.

But now Randy's plea for asylum has been denied.

The pair were nabbed trying to nip across the border back into the US of A and are currently "helping authorities with their enquiries".

You may remember him as Cousin Eddie (above right) from *National Lampoon's Vacation, National Lampoon's Christmas Vacation, Vegas Vacation* and *Christmas Vacation 2: Cousin Eddie's Island*, but according to 65-year-old Randall Ruby Quaid, he and Evi are dangerous subversives that "certain people" in Hollywood would stop at nothing to rub out.

The couple call these unseen bogeymen "star whackers". The couple even made a film called that a few years ago...only no-one could work out what the fuck it was about and it didn't set the box office on fire.

But rest assured, if there are such things as star whackers, the Quaids have a right to be worried. Because, as everyone knows, when star whackers go out to whack stars, they always whack the WACKIEST ones first.

And the Quaids have been strong contenders for a few years now. It started in 2009 when they skipped out on a $10,000 hotel bill and wound up in court.

While awaiting trial, they made headlines by moving into a guest house on a property they'd sold 10 years before and proceeded to trash the joint until the cops were called.

> 'WE REQUEST ASYLUM FROM STAR WHACKERS'

They managed to get bailed for that as well. Coincidentally or not, the Quaids suddenly saw their future lay in Canada and bolted north to request protection under the maple leaf.

Initial permission to stay was granted in 2011. Evi was eventually granted Canadian citizenship because her father was born there, but Randy got his marching orders in 2013, and expected to be deported this month.

During the final hearings that saw his bid to stay in Canada fail, he held up a note saying, "Yes, we are requesting asylum from Hollywood 'star whackers'."

He has further elaborated there's a conspiracy against him and his wife by Hollywood "accountants" and "embezzlers" who were trying to ruin him.

He even suggested these goons may've been responsible for the death of Heath Ledger.

No mention of that hotel bill, or the cost of damages to the guest house, but no doubt Randy will get around to that.

We're hoping to see the Quaids' new line of aluminium foil hats in the shops very soon.

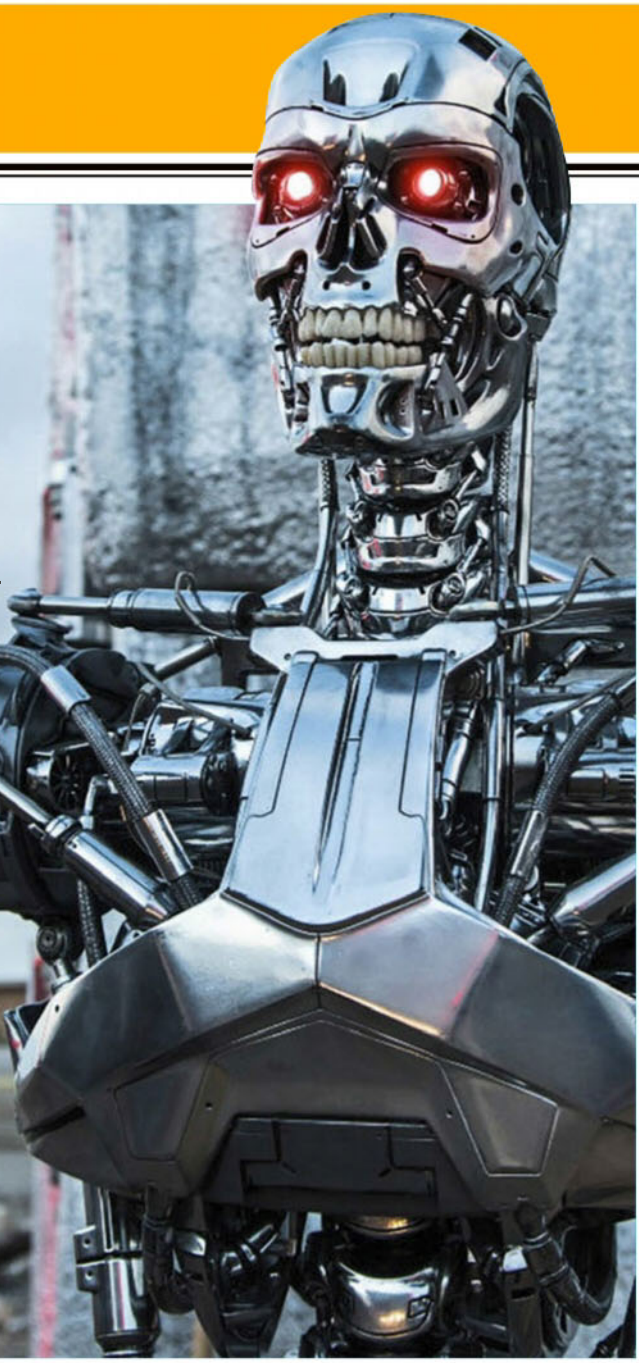
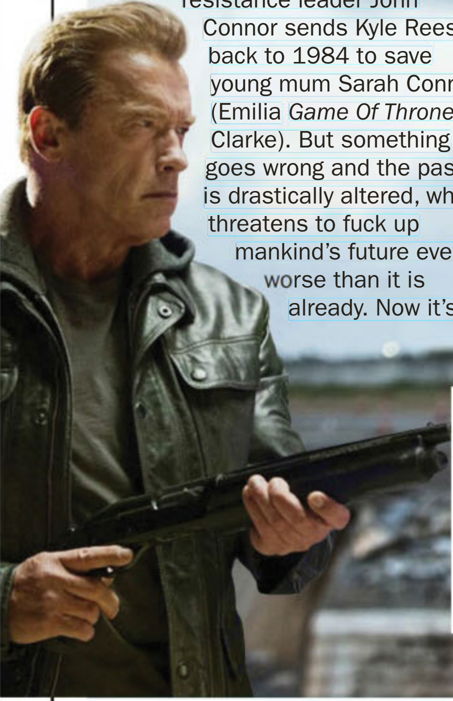
WIN STUFF!

TERMINATOR GENISYS





Paramount, rated M, out Oct. 29, RRP: $39.99 (DVD)/$49.99 (2-disc Blu-ray)/$59.99 (3-disc Blu-ray 3D combo pack)

What's the guts? In this retweaking of the classic *Terminator* tale, future resistance leader John Connor sends Kyle Reese back to 1984 to save young mum Sarah Connor (Emilia *Game Of Thrones* Clarke). But something goes wrong and the past is drastically altered, which threatens to fuck up mankind's future even worse than it is already. Now it's up to Kyle, Sarah and her "guardian" (Arnold Schwarzenegger, left) to fight back and save the planet from a terrifying new wave of Terminators.

Anything else? That beefy ledge Arnie returns to his best-known franchise to play the psycho cyborg from the future one more time. If that isn't a big enough reason to grab this release, just remember that both Blu-rays contain multiple discs and oodles of brilliant extras.

Final word: We'll be back…to watch this film again and again.

WIN! THE future legends at Paramount have sent us FIVE Blu-rays for this contest. To enter, **just tell us IN ONE SENTENCE your fave one-liner from the *Terminator* series**. The five funnest answers will score a Blu-ray. Mark your entries "*Terminator Genisys* comp".

Turning Japanese

By James Cockington

Rockpool Publishing, out Nov. 1, RRP: $29.99

What's the guts? You might be a Holden man or a Ford guy, but there's no denying that it's the Japanese companies who've dominated the Aussie car market for decades. This lavishly illustrated book examines the past half century of Far East motoring Down Under, both on the highway and on the racetrack.

Anything else? The first Japanese cars this nation saw in the late 50s were cheap, nasty and generally considered a joke, but it didn't take long for them to dramatically improve. Offering plenty of style, class and value for money, they soon won over a hostile audience. From the Nissan Cedric to the sleek Mazda MX-5, Japanese autos have come a long way and this book examines their quirky love-hate relationship with the Aussie car-buying public.

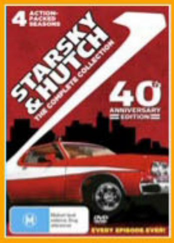
Final word: Banzai beautness!

WIN! WE'RE handing out THREE copies, thanks to our mates at Rockpool Publishing. To get yours, **just tell us IN ONE SENTENCE your fave car from the Land Of The Rising Sun**. The three coolest answers will score a book. Mark your entries "*Turning Japanese* comp".

Starsky & Hutch 40th Anniversary Box Set

Shock, rated M, out November 4, RRP: $49.99 (DVD)

What's the guts? *Starsky & Hutch* was the best fucking TV series in the 1970s. There was nothing better than settling down after tea to watch undercover cops Ken "Hutch" Hutchinson (David Soul) and Dave Starsky (Paul Michael Glaser) cruising round town in a red'n'white-striped Gran Torino, then beating up bad bastards. We all wanted to be Starsky or Hutch growing up, right?



Anything else? The telly series was produced by Aaron Spelling and Leonard Goldberg (who also gave the world *Charlie's Angels* and *S.W.A.T.*), so it really was the cream of the cream of American TV. This luscious anniversary box set takes you back to every car chase, nutty one-liner and knuckle-bruising punch from all four seasons, so you can relive your childhood whenever you want.

Final word: Cop it sweet.

WIN! THE crime-bustin' guys at Shock have sent us FIVE box sets for this comp. To enter, **just tell us IN ONE SENTENCE who you liked better: Starsky, Hutch or Huggy Bear.** The five most revealing answers will get a pack. Mark your entries "*Starsky & Hutch* comp".

IMPORTANT!

Send entries to: *Win Stuff!*, c/- *People*, GPO Box 2860, Sydney, NSW 2001. Or email them to people@bauer-media.com.au. Entries close at 5pm on Nov. 27.

Hellyers Road Pinot Noir Single Malt Whisky

Available at Dan Murphy's, RRP: $86.99

What's the guts? Everyone loves this single malt whisky. Hell! The experts recently recognised it as a "Master Whisky" at the Global Whisky Master Awards in London. Which means whether you drink it neat, on the rocks, with a splash of water, mixed with Coca-Cola (sacrilege!) or snorted off the magnificent breasts of your missus, this is a helluva whiskey to knock back!

Anything else? The Hellyers Road Pinot Noir was voted as one of the top 10 best value whiskies in the world. And its maker, Tasmania's Hellyers Road Distillery, was recently ranked in the world's top 10 by the Master Awards. We'll drink to that!

Final word: Hic! Make ours a triple!

BOTTOMS UP! The gentlemen (and gentlewomen) at Hellyers Road have given us TWO bottles of the good stuff to give away. To win it, **just tell us IN ONE SENTENCE how YOU like to drink your whisky.** The two smoothest answers will score a bottle. Mark your entries "Hellyers Road comp".

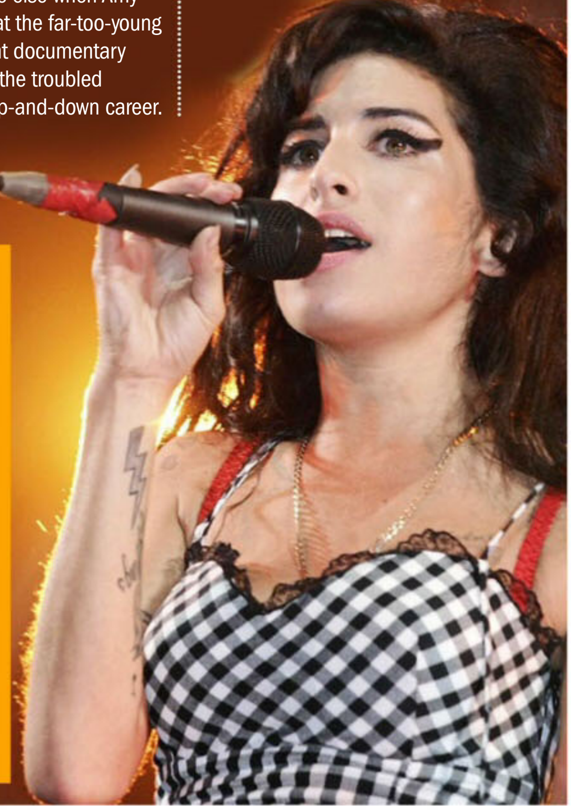
Amy

eOne, rated MA, out Oct. 28, RRP: $34.95 (DVD)/$39.95 (Blu-ray)

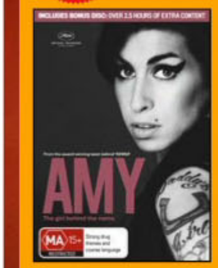
What's the guts? We bloody loved Amy Winehouse. The Pommy singer had a helluva voice and her off-stage antics filled oodles of pages in our mag. Seriously, she helped pay for a house mortgage or two at *People*. But we were as shocked as everyone else when Amy passed away in 2011 at the far-too-young age of 27. This poignant documentary gives great insight into the troubled warbler's life and her up-and-down career.

Anything else? No wonders this doco's so good – it was made by the same crew who gave us the excellent motoracing doco *Senna*. It makes great use of rare archival footage plus in-depth interviews with the people who knew her best and Ms Winehouse herself. Watch Amy and you'll realise why her death was such a waste of a prodigious talent.

Final word: We miss her, but this doco is the next best thing to having Amy back.



WIN!



THE champs at eOne have provided FIVE DVDs for this comp. To win one, **just tell us IN A SENTENCE your fave Amy Winehouse tune.** The five bluesiest answers will receive a DVD. Mark your entries "*Amy* comp".
